Burstein Kimmel displays expertise on the subject along with a lively sense of humor--scarcely a page is turned that doesn't yield a few good laughs Readers who already take science fiction seriously will enjoy the book's panoptic breadth and it's frank jubilation in its subject matter Dan's look at all the SF Films of the previous century-plus is powerful and serious and smart and even sassy at points So many great pieces in here that I should just say this is the best book of essays about film of any nature that I've read in ages This is the guy you want sitting next to you when Channel 45 has a weekend 'sci-fi' movie marathon For anyone who likes SF movies, this volume is worth the price of admission. If we find ourselves in a time of darkness, trouble or despair, then Jesus Christ will be to us what Boaz was to Ruth. It would be a great addition to any Young Adult collection.

I am super excited about this year's sale because Shop Sincerely Jules teamed up with similar authors from NovelList. Two or three authors or authoring bodies. But for now, become acquainted with family terms. I absolutely loved the premise of this story and the story itself did not disappoint. No, thank you, John Charles R.
